

SIGNING UP FOR PHR- (Personal Health Record)

This gives you access to: view vital signs, labs, radiology reports, upcoming appointments, medication list, immunization record, and ability to request refills of medications.

1. Go to <https://phr.ihs.gov>

Or scan this QR code

2. Click Register to use PHR. Answer all the questions to set up account
3. Go to Registration clerk, Team RN, or Vaccine clinic to verify identity with DL # or other form of identification, so that your account access can be linked.
