

FENTANYL TEST STRIP FUNDING

information for procurement and purchasing

WHERE CAN I GET FENTANYL TEST STRIPS (FTS)?

Fentanyl test strips are available through a variety of suppliers. Examples include:

- Indian Health Service National Supply Service Center (NSSC)
 - Now available! Submit a 413 form to order.
- BTNX Inc.
 - <https://www.btnx.com/HarmReduction>
- Nasen Buyer's Club
 - Application required to gain access for low-cost pricing
 - <https://nasen.org/buyers-club-app>
- Medline
 - Some Indian Health Service and tribal facilities may already have accounts. Application to obtain an account is simple!
 - <https://www.medline.com/sku/item/MDPWONWFTY114>

Please note that the last three options are EXAMPLES, not endorsed by the Indian Health Service or HOPE Committee.

CAN I PURCHASE THEM? IF SO, WITH WHAT FUNDS?

The nation's administration has deemed evidence-based harm reduction efforts a priority to improve health and build trust. **Indian Health Service grant funding may be used to purchase FTS where consistent with the purpose and within the scope of the particular grant award, and otherwise allowable pursuant to the applicable cost principles.** This creates an opportunity to legally purchase FTS to save lives in your communities!
