Questions & Technical Assistance

If you have trouble with any of the steps above or do not receive the confirmation email, please contact us using the address below as soon as possible.

IHSTele-Education@ihs.gov

You will receive a reply from agent@groovehq.com, this is not spam or junk mail. This is the help ticket system we use, and any email you receive from this address is us responding to your request for help.

About the Presenter

Kathleen Cassel, MD, is physician at United Indian Health Services in Arcata, CA. She has been treating opioid use disorder for approximately two years.

Carolyn Chu, MD, MSc, is an AAHIVM-credentialed HIV Specialist and family physician, and Associate Professor of Family & Community Medicine at the UCSF. She sees patients and families at San Francisco General Hospital's Family Health Center.

Kailee Fretland, PharmD, BCPS is a descendent of the White Earth Band of Ojibwe. CDR Fretland is the Acting Pharmacy Director at the Red Lake Hospital in Northern Minnesota and is the Medication Assisted Treatment Lead for the Indian Health Service Heroin, Opioid, and Pain Efforts Committee.

CAPT Stephen "Miles" Rudd, MD, FAAFP, CPPS, has worked for the IHS since 1994. During his tenure, he has fulfilled roles as a staff physician, Clinical Director, and Area CMO. He was Co-Chair of the Prescription Drug Abuse Workgroup and served as Chair of the IHS HOPE Committee from 2017-2019.

Disclosure Statement

The presenters have no financial relationship to this program.

Continuing Education Credit

To receive a certificate of continuing education, you must electronically sign-in for the session, participate in the entire live internet activity and complete the online evaluation. All participants, outside of pharmacy continuing education credit claimers, will be able to print their certificate after completing the evaluation. The evaluation for this session will close in two weeks after the presentation.

ACCREDITATION

In support of improving patient care, IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Credit Designation Statements

This activity was planned by and for the health care team, and learners will receive 1.0 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physicians

The IHS Clinical Support Center designates this live activity for 1 hour of *AMA PRA Category 1 Credit™* for each hour of participation. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists

This activity provides 1.0 hours of knowledge-based continuing pharmacy education credit (CPE). Pharmacy CPE credit will be delivered via the CPE Monitor system.

Nurses

This activity is designated 1.0 contact hour for each hour of participation.

Social Workers

As a Jointly Accredited Organization, the Indian Health Service Clinical Support Center is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. State and provincial regulatory boards have the final authority to determine whether an individual course may be accepted for continuing education credit. The IHS Clinical Support Center maintains responsibility for this course. Social workers completing this course receive 1.0 continuing education credit.

Psychologists

Continuing Education (CE) credit for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP) and the IHS Clinical Support Center. The IHS Clinical Support Center maintains responsibility for the content of the program. Psychologists completing this course receive 1.0 continuing education credit.

Accreditation applies solely to this educational activity and does not imply approval or endorsement of any commercial product, services or processes by the CSC, IHS, the federal government, or the accrediting bodies.

Disclosure Statement: As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all others who are in a position to control the content of this educational activity are required to disclose all relevant financial relationships with any commercial interest related to the subject matter of the educational activity. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturers or commercial products to disclose.

There is no commercial interest support for this educational activity.

Recording

All sessions are recorded for those unable to join them real-time, however, credit is not available for viewing the recording. You can access previous recordings at:
