- Overview
- Notice of Funding Opportunity (NOFO)
- Grants.gov
- Templates and Resources

www.ihs.gov/sdpi

About SDPI-2 Application Process

- Open to ALL federally recognized Tribes, Tribal Organizations, Urban Indian Organizations, and/or Federal health care facilities that currently do NOT have a 2023 SDPI grant.
- Applications must be submitted by November 29, 2023.
- Grant regulations do not allow revisions after the due date.
- Applications that are incomplete, of insufficient quality, and/or late will not be awarded SDPI funds.
- Applications will be reviewed by an Objective Review Committee (ORC).
- Funds will be awarded to ALL applicants who successfully meet application criteria and achieve a fundable score.

SDPI-2 Grant Application: Next Steps

1. Read entire NOFO first
 - Pay particular attention to:
 - Eligibility
 - Evaluation Criteria
2. Review the application package from Grants.gov
3. Use the templates and resources provided on the SDPI-2 Application webpage

Grants.gov

- Application submission for SDPI-2 will be via Grants.gov instead of GrantSolutions.gov
- Review the following resources for successful application submission:
 - [Grants.gov webpage for Applicants](#) – Includes details about the registration and application process.
 - [Grants.gov webpage on registration](#) – Guidance to begin or confirm registration for your organization
 - [Training Resources and Videos for Grants.gov](#) – Brief recordings on grants.gov Workspace.

Application Due Date

November 29, 2023

11:59pm ET / 10:59pm CT / 9:59pm MT / 8:59pm PT /
7:59pm AKT

Note: Start and plan to submit your application early.
Late applications will NOT be accepted.

Templates and Resources

- SDPI-2 Application webpage:
 - Application Checklist
 - Project Narrative Template
 - Bio Sketch Template
 - Timeline Template
 - Webinars
 - Recordings
 - Frequently Asked Questions (FAQ)

Free resources from DDTP!

- Education Materials and Resources (Online Catalog) – Find culturally relevant and easy-to-use materials for providers, patients, and clients. Materials are free to order or to download and print.
- Diabetes Standards of Care & Clinical Practice Resources – intended to provide guidance to clinicians and educators as they care for American Indian and Alaska Native people who have or are at risk for type 2 diabetes.

October is Health Literacy Month

Help patients manage their diabetes using these free and easy to understand education materials
