Seminole Tribe Integrative Health Team

Integrative Health – Program Purpose: Lifestyle Medicine & Therapy

- Integrative Health provides culturally sensitive lifestyle medicine services focused on prevention, clinical services and therapy for youth through adults in a collaborative clinical, community, school or work-based setting.
- Medical nutrition therapy
- Diabetes education
- Culinary Medicine
- Smoking Cessation
- Physical activity programming: ie walking, yoga
- Stress Management Modalities
- Adult Massage, Physical & Occupational Therapy
- Youth School based Speech, Behavioral Occupational & Physical therapies (CCDT)

But the magic of successful community activities lies in...

Partnership & Collaboration

Partnership & Collaboration: Cultivates diverse community participation

Best Practice: Physical Activity
