

# Website Resources for Special Diabetes Program for Indians (SDPI)

**Indian Health Service  
Division of Diabetes Treatment  
and Prevention**

# Objectives

1. Identify relevant SDPI resource websites.
2. Locate key resources within each website.
3. Collect and apply feedback to improve website usability and content.

# IHS Division of Diabetes Website Updates

The Division of Diabetes Treatment and Prevention (DDTP) website has undergone revisions and expansions throughout the years. DDTP currently manages three websites:

- IHS DDTP: [www.ihs.gov/diabetes](http://www.ihs.gov/diabetes)
  - Clinical training and tools, patient education materials, the Diabetes Audit, Online Catalog, Diabetes ListSERV, and more.
- IHS SDPI: [www.ihs.gov/sdpi](http://www.ihs.gov/sdpi)
  - Grant-related information, such as program reports, training, the SDPI Outcomes System, Program Spotlights, and more.
- IHS Nutrition website: <https://www.ihs.gov/nutrition>
  - Produce Prescription Pilot Program, Food Sovereignty, Nutrition in Life's Vital Stage, Food and Nutrition Security, Nutrition ListSERV, and more.
