| 1    | Request access to the SOS, if you do not already have it.  
If you have accessed the SOS previously, but cannot remember your username, contact the SDPI team at sdpi@ihs.gov. | SOS webpages¹ | ☐ |
| 2    | Review your program’s previously submitted 2020 RKM result(s) in the SOS.  
Steps:  
- Log into the SOS.  
- Click on "Enter Individual" from the left-hand menu.  
- Click on "Individual RKM Data Entry" on the main page.  
- Ensure 2020 is selected as the year (click “Go” next to the year)  
- Baseline RKM result should be displayed in the section “RKM RESULTS SUBMITTED FOR FY 2020”. Other (optional) results may also be displayed.  
If baseline RKM result cannot be found or is not correct, contact your Area Diabetes Consultant² or the SDPI Team at sdpi@ihs.gov. | SOS webpages¹ | ☐ |
| 3    | Collect and review current data for individuals in your Target Group. You will need the following information for each individual:  
- SOS Participant Identifier (previously entered individuals only)  
- Month and year of birth  
- Gender  
- Whether or not the RKM was met | Local records Best Practices³ | ☐ |

**Note:** Do not lock your data in the SOS at this time.
**Step** 6  | **Description** Run and review your program’s FY 2020 RKM Data Summary Report in the SOS.  
**Steps:**  
- Click on “SOS Grantee Reports” on the side navigation menu.  
- Ensure 2020 is selected as the year (click “Go” next to the year).  
- Click on the “RKM Data Summary Report” link under “SDPI OUTCOMES SYSTEM REPORTS MENU”.  
- Review your results, with particular attention to:  
  - Is the most recent result provided in the report? If not, revisit step 5.  
  - Is the exact same result in there more than once? If so, contact the SDPI team to remove one of the duplicates.  
  - Is the correct value marked as Baseline? If not, contact the SDPI team and tell them what to change.  
  - What is the change from Baseline to Mid-Year? Is it consistent with your local data? If not, contact your Area Diabetes Consultant to discuss.  
  - Is the number of individuals entered “much” smaller than your Target Group Number? If so, determine if additional individuals need to be entered at this time.  
  - Is the number of individuals entered “much” bigger than your Target Group Number? Contact your Area Diabetes Consultant to discuss.  

**Tip:**  
- If this report cannot be found or you have any other problems or questions, contact your Area Diabetes Consultant or the SDPI Team at sdpi@ihs.gov.
