

**Special Diabetes Program for Indians (SDPI)
SDPI Outcomes System (SOS)
Checklist for Tracking and Submitting Target Group and Required Key Measure (RKM) Data**

Last Updated: January 2023

Method: SOS Individual Entry

Time Period: 2023 Baseline (**Required**)

Due: February 28, 2023

Step	Description	Resources	Completed?
1	Review your program’s 2023 SDPI application (Project Narrative – Part D). Note the Best Practice selected and Target Group information.	Your program’s 2023 SDPI application.	
2	Request access to the SOS if you don’t already have it. If you have accessed the SOS previously, but cannot remember your username, contact the SDPI team at sdpi@ihs.gov .	SOS webpages ¹	
3	Enter Best Practice and Target Group information into the SOS system using the <i>Best Practice/Target Group Info</i> tool. Tip: Ensure 2023 is selected as the year.	SOS webpages ¹	
4	If Target Group IS KNOWN at Baseline (if not known, go to Step 7): Identify and create a list of your Target Group members locally , using Excel, a paper list, or other process. Tip: Only gender and month and year of birth can be entered into the SOS. You may choose to collect other information that is stored outside of the SOS for local use.	SOS webpages ¹	
5	Enter information for each Target Group member into the SOS using the <i>Enter Individual/Information Entry</i> tool. Steps: <ul style="list-style-type: none"> - Click on "Enter Individual" in the left-hand menu. - Click on "Individual Information Entry" on the main page. - Ensure 2023 is selected as the year (click "Go" next to the year). - Enter information for each Target Group member, including their baseline RKM Value. Tip: Add the SOS Participant Identifier for each member to your local list as you enter their information.	SOS webpages ¹
