

**Special Diabetes Program for Indians (SDPI)
SDPI Outcomes System (SOS)
Checklist for Submitting Required Key Measure (RKM) Data
Last Updated: May 2026**

Method: Electronic Medical Record (EMR) to WebAudit to SOS
Time Period: 2026 Mid-Year: January 1 – June 30, 2026 **(Optional)**

Step	Description	Resources	Completed?
1	<p>Request access to the SOS, if you do not already have it.</p> <p>If you have accessed the SOS previously, but cannot remember your username, contact the SDPI team at sdpi@ihs.gov.</p>	SOS webpages ¹	
2	<p>Review your program’s previously submitted 2026 RKM result(s) in the SOS.</p> <p>Steps:</p> <ul style="list-style-type: none"> - Log into the SOS. - Click on "Submit RKM Data". - Click on "Pull from WebAudit". - Ensure 2026 is selected as the year (click "Go" next to the year). - Baseline RKM result should be displayed in the section "Review/Reference: RKM Results Submitted for FY 2026". Other (optional) results may also be displayed. <p>If baseline RKM result cannot be found or is not correct, contact your Area Diabetes Consultant² or the SDPI Team at sdpi@ihs.gov.</p>	SOS webpages ¹	
3	<p>Review the list of your Target Group members in your EMR (RPMS or other).</p> <p>Tips:</p> <ul style="list-style-type: none"> - In RPMS, this can be a register or search template of patients. - Be sure to select the register, search template or list for your 2026 Target Group. - The number in the Target Group should be the same as the denominator for your baseline RKM result (Step 2). 	Best Practices ³

Step	Description	Resources	Completed?
6	<p>Pull the RKM result from the WebAudit into the SOS system.</p> <p>Steps:</p> <ul style="list-style-type: none"> - Log in to the SOS. - Click on "Submit RKM Data". - Click on "Pull from WebAudit". - Ensure 2026 is selected as the year (click "Go" next to the year). - Follow the instructions for pulling in the RKM result from the Interim Diabetes Audit uploaded in Step 5. <p>Note: Do not lock your data in the SOS at this time.</p>	<p>SOS webpages¹</p>	
7	<p>Run and review your program's 2026 RKM Data Summary Report in the SOS.</p> <p>Steps:</p> <ul style="list-style-type: none"> - Click on "SOS Grantee Reports" on the side navigation menu. - Ensure 2026 is selected as the year (click "Go" next to the year). - Review your results, with particular attention to: <ul style="list-style-type: none"> o Is the exact same value in there more than once? If so, contact the SDPI team to remove one of the values. o Is the correct value marked as Baseline? If not, contact the SDPI team and tell them what to change. o What is the change from Baseline to Mid-Year? Is it consistent with your local data? If not, contact your Area Diabetes Consultant² to discuss. o Is your Denominator "very" different from your Target Group Number? If so, check that your baseline Audit was run on the correct registry/patient list. Rerun and resubmit if necessary. o Is the denominator the same as (or close to) your baseline denominator? If not, check that your Audits were run on the correct registry/patient list. Rerun and resubmit if necessary. - Click on "PDF Version" to the right of the results to download a copy of your report. <p>Tips:</p> <ul style="list-style-type: none"> - If this report cannot be found or you have any other problems or questions, contact your Area Diabetes Consultant² or the SDPI Team at sdpi@ihs.gov. 	<p>SOS webpages¹</p>
