

**Special Diabetes Program for Indians (SDPI)
SDPI Outcomes System (SOS)
Checklist for Submitting Required Key Measure (RKM) Data
Last Updated: June 2019**

Method: RPMS to WebAudit to SOS
Time Period: FY 2019 Mid-Year (**Optional**)
Due: June 28, 2019

Step	Description	Resources	Completed?
1	<p>Request access to the SOS, if you do not already have it.</p> <p>If you have accessed the SOS previously, but cannot remember your username, contact the SDPI team at sdpi@ihs.gov.</p>	SOS webpages ¹	
2	<p>Review your program’s previously submitted FY 2019 RKM result(s) in the SOS.</p> <p>Steps:</p> <ul style="list-style-type: none"> - Log into the SOS. - Click on "Pull from WebAudit" from the left-hand menu. - Ensure 2019 is selected as the year (click “Go” next to the year). - Baseline RKM result should be displayed in the section “RKM RESULTS SUBMITTED FOR FY 2019”. Other (optional) results may also be displayed. <p>If baseline RKM result cannot be found or is not correct, contact your Area Diabetes Consultant² or the SDPI Team at sdpi@ihs.gov.</p>	SOS webpages ¹	
3	<p>Review the list of your Target Group members in RPMS (or other EHR).</p> <p>Tips:</p> <ul style="list-style-type: none"> - In RPMS this can be a register or template of patients. - Be sure to select the register or template for your FY 2019 Target Group. - The number in the Target Group should be the same as the denominator for your baseline RKM result (Step 2). 	<p>RPMS</p> <p>Best Practices³</p> <p>SOS training webinar⁴</p>

Step	Description	Resources	Completed?
7	<p>Run and review your program’s FY 2019 RKM Data Summary Report in the SOS.</p> <p>Steps:</p> <ul style="list-style-type: none"> - Click on “SOS Grantee Reports” on the side navigation menu. - Ensure 2019 is selected as the year (click “Go” next to the year). - Click on the “RKM Data Summary Report” link under “SDPI OUTCOMES SYSTEM REPORTS MENU”. - Review your results, with particular attention to: <ul style="list-style-type: none"> o Is the exact same value in there more than once? If so, contact the SDPI team to remove one of the values. o Is the correct value marked as Baseline? If not, contact the SDPI team and tell them what to change. o What is the change from Baseline to Mid-Year? Is it consistent with your local data? If not, contact your Area Diabetes Consultant² to discuss. o Is your Denominator “very” different from your Target Group Number? If so, check that your baseline Audit was run on the correct registry/patient list. Rerun and resubmit if necessary. o Is the denominator the same as (or close to) your baseline denominator? If not, check that your Audits were run on the correct registry/patient list. Rerun and resubmit if necessary. <p>Tips:</p> <ul style="list-style-type: none"> - If this report cannot be found or you have any other problems or questions, contact your Area Diabetes Consultant² or the SDPI Team at sdpi@ihs.gov. 	<p>SOS webpages¹</p>
