The Indian Health Service's Office of Urban Indian Health Programs (OUIHP) awarded 33 4-in-1 grants to Urban Indian Organizations (UIOs) in Fiscal Year (FY) 2019. The 4-in-1 grant program provides funding to UIOs to ensure comprehensive, culturally acceptable personal and public health services are available and accessible to the Urban Indian population. The grants provide funding that encompass four health program areas: (1) Health Promotion and Disease Prevention Services, (2) Immunization Services, (3) Alcohol and Substance Abuse Services, and (4) Mental Health Services. Grantees are required to participate in a National Evaluation of the 4-in-1 grant program, including reports on integrated cultural interventions practiced and evidence-based approaches that are implemented, to meet the service needs of the Urban Indian population. The grants are awarded for a three-year funding cycle, which currently runs from April 1, 2019 - March 31, 2022.
