

The Indian Health Service (IHS) TeleBehavioral Health Center of Excellence and the IHS Clinical Support Center (Accredited Provider) is pleased to announce Continuing Education in Behavioral Health for the following training:
Pain and Opioid Use Disorder Webinar Series

Overview of New TAPS and CAGE-AID Screening Tools for Substance Use

To Register: https://ihs.gov.zoomgov.com/webinar/register/WN_vmAsw9r2RT6IVnNelTV8zQ
March 26, 2024 | 2:00 pm EST, 1:00 pm CST, 12:00 pm MST, 11:00 am PST, 10:00 am AKST

Duration: 1 hour

Presenters:

- LCDR Sherry Daker, PharmD, Acting Deputy Pharmacy Director, Red Lake Hospital
- Wendy Wisdom, MSW, Information Technology Specialist, OIT/IHS
- Geniel Harrison, MD, Chief Medical Officer, Portland Area IHS

Description:

Discussion on best practices and practice improvements when screening for substance use. Review of new substance use screenings tools, The Tobacco, Alcohol, Prescription medication, and other Substance use (TAPS) Tool and CAGE-AID (CAGE adapted to include drugs), recently available for documentation in the Resource and Patient Management System (RPMS) Electronic Health Record (EHR).

Outcomes/Objectives:

1. Examine the process of Screening, Brief Intervention, and Referral to Treatment and best practices to improve screening for Substance Use Disorder.
2. Identify patients at risk using the TAPS and CAGE-AID screening tools.
3. Apply clinical documentation tools to improve patient assessments.

Target Audience:

Members of the healthcare team

About the Presenters

LCDR Sherry Daker currently serves as Acting Deputy Pharmacy Director and Clinical Pharmacy Coordinator at the Red Lake Indian Health Service Hospital. She earned her PharmD from Lake Erie College of Osteopathic Medicine in Bradenton, FL in 2017. After graduation, she joined the United States Public Health Service (USPHS) and completed a PGY-1 ambulatory care pharmacy residency at Red Lake Hospital. She earned a Master of Science in Health Care Administration from Oklahoma State University in 2022. LCDR Daker currently serves on the IHS National Committee on Heroin Opioid and Pain Efforts (HOPE) as co-lead of the treatment and recovery workgroup.

Wendy Wisdom, Hopi/Choctaw/Chickasaw, has worked for Indian Health Service for over 25 years. She is currently the Resource and Patient Management System (RPMS) National Clinical Application Coordinator for the RPMS Behavioral Health System with the Office of Information Technology (OIT). She completed her BA from the University of California, Berkeley and her MSW from Arizona State University. Before joining OIT in 2011, she worked at the Phoenix Indian Medical Center. Ms. Wisdom has been instrumental in the development and deployment of clinical software to support the unique business processes of behavioral health providers in the Indian healthcare delivery system at the local and national levels.

Dr. Geniel Harrison is the Chief Medical Officer at the Portland Area Indian Health Service. She provides clinical oversight and direction to the medical services and public health initiatives of the Portland Area Indian Health Service throughout Oregon, Washington, and Idaho. She also administers many aspects of the Area's overall AI/AN health care programs. Prior to this position, she served as a Clinical Director at various health care facilities (Tribal and federal) since 2013. Dr. Harrison is a diplomat of the American Board of Family Medicine who has worked with the Indian Health Service for 13 years. She is an enrolled member of the Confederated Tribes of the Goshute Reservation located on the border of Utah and Nevada.

Instructions for Obtaining Continuing Education Credit:

To receive a certificate of continuing education you must:

- Participate in the entire live 1 hour activity. No partial credit will be given.
- Complete the online evaluation by **April 10, 2024**. You will be able to print your certificate after completing the evaluation.

Accreditation

JOINTLY ACCREDITED PROVIDER
INTERPROFESSIONAL CONTINUING EDUCATION

In support of improving patient care, IHS Clinical Support Center is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

IPCE CREDIT™

This activity was planned by and for the health care team, and learners will receive 1.0 Interprofessional Continuing Education (IPCE) credit for learning and change.

Physicians

The IHS Clinical Support Center designates this live activity for 1 *AMA PRA Category 1 Credit™* for each hour of participation. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Pharmacists

This activity provides 1.0 hour of knowledge-based continuing pharmacy education credit (CPE) with the UAN JA4008177-0000-23-026-L08-P.

Credit will be uploaded to the NABP CPE Monitor within 30 days after the activity completion. It is the responsibility of the pharmacist to provide the correct information (NABP ID and DOB (MMDD) in order to receive credit.

Nurses

This activity is designated 1.0 contact hour for each hour of participation.

Physician Assistants

The IHS Clinical Support Center has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.0 AAPA Category 1 CME credit. PAs should only claim credit commensurate with the extent of their participation.

Social Workers

ASWB approved continuing education

As a Jointly Accredited Organization, the IHS Clinical Support Center is approved to offer social work continuing education by the Association of Social Work Boards (ASWB) Approved Continuing Education (ACE) program. Organizations, not individual courses, are approved under this program. Regulatory boards are the final authority on courses accepted for continuing education credit. Social workers completing this course receive 1.0 clinical continuing education credit.

Psychologists

Continuing Education (CE) credits for psychologists are provided through the co-sponsorship of the American Psychological Association (APA) Office of Continuing Education in Psychology (CEP) and the IHS Clinical Support Center. The IHS Clinical Support Center maintains responsibility for the content of the program. Psychologists completing this course receive 1.0 continuing education credit.

Dentists

Continuing Education Recognition Program

This webinar has been approved for 1 hour of continuing dental education (CDE) credit by the IHS Division of Oral Health, an accredited sponsor of continuing education under the American Dental Association Continuing Education Recognition Program (CERP), under AGD Subject Code 157 (Substance Abuse). To receive credit, log into the IHS CDE Portal, locate the course number provided for the webinar, enter the completion code provided by the course

director and/or presenter, and complete the post-course survey. You will then be able to print your CDE letter. If you have any concerns or questions about this IHS continuing dental education experience, please contact IHSCDECoordinator@ihs.gov. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at www.CCEPR.ADA.org.

Disclosure Statement: As a jointly accredited provider of continuing education, the IHS Clinical Support Center must ensure balance, independence, objectivity, and scientific rigor in its educational activities. Course directors/coordinators, planning committee members, faculty, reviewers and all

others who are in a position to control the content of this educational activity are required to disclose the existence of all financial relationships with ineligible companies within the prior 24 months. Safeguards against commercial bias have been put in place. Faculty will also disclose any off-label and/or investigational use of pharmaceuticals or instruments discussed in their presentation. All those who are in a position to control the content of this educational activity have completed the disclosure process and have indicated that they do not have any relevant financial relationships or affiliations with any manufacturers or commercial products to disclose. There is no commercial interest support for this educational activity.

Zoom First Time Users

If you have never attended a Zoom meeting before, you can download the Zoom desktop client here:
