

Title 38 Physician and Dentist Pay Approval Authority

HHS has granted to IHS the authority to approve Annual Pay under Title 38 Physician and Dentist Pay (PDP) up to \$400,000, the legal limit. To ensure consistency across IHS and equity, IHS has established the following internal authority levels for what IHS Area Directors may approve versus what must be approved at IHS Headquarters. IHS Areas should follow the below guidance in determining the necessary approval level for Title 38 PDP cases. Note that Annual Pay is composed only of GS nonlocality base pay plus Market Pay, and that the approval of recruitment/retention/relocation incentives by the IHS Areas is not considered in determining approval levels for Annual Pay.
